Intercession

About 500 people are praying for the GCA and this work regularly.

Thank you for praying for us.

You are a vital part of all that God is doing here!

Guidance

We are continuing to help churches and ministries develop strategic plans for more effective evangelism and discipleship. We are also helping others use some of our training and resources for spiritual multiplication.

Next-generation ministry

Our team is passionate about reaching college students and helping others to do as well. Here is a picture of our recent Thanksgiving outreach.

Pray for student leaders and upcoming ministry events. We're hoping to do an apologetics event in January, the Maze outreach in February, and other campus events.

International Partnerships

Since launching the GCA just over a year ago, our team has partnered with nearly **20 ministries** and churches in **17 countries**. We've been invited to many more this coming year.

Tools and technology

Good tools are crucial for effective ministry. Our team is continuing to develop unique tools that can be used in evangelism, discipleship, and Great Commission ministry. Two of our team members just returned from Fiji where they gave nearly a hundred families our discipleship workbook and trained village leaders how to use it for discipleship.

Technology is also critical. We launched the BEST FACTS app this year and had almost 30,000 listens of some of our online teaching. Pray for our team as we continue making our resources available in digital formats. Thanks!

Equipping

Teaching others is a critical part of Great Commission ministry (Matt. 28:18-20, 2 Tim. 2:2). For that reason, equipping believers with exceptional training for evangelism and discipleship is one of our core strategies.

God allowed us to train more than **4,000** believers this past year! The picture above is of one group holding up our training certificates. After training, we always take people out sharing. We saw more than **1,000** decisions to trust in Christ during those evangelism application times this past year! Thank you for your part in this work!

Thank you!

We honestly can't believe all God did this past year! Thank you for your part in it all. Your prayers and support made it possible. Thank you!

The world desperately needs Jesus and the Great Commission must be completed! As you can imagine, 13 staff members and trips around the planet require lots of support. If God leads you to make an end of the year, tax deductible donation, you can do that at greatcommissionalliance.org/herbst.html or just use a GCA donation envelope.

Thank you so much for your important part on this team! We know God will do great things in 2019 and we're so thankful to have you on board. We miss and love you. Merry Christmas!
