Hello! We hope you're well! We're trusting God with a difficult trial and thanking Him for all He's doing in the ministry. Thank you for your part in our lives and ministry.

Please, please pray! A big reason I (Chris) left my career to become a full-time missionary and disciple maker of Jesus Christ is because I have had a faithful mother who has prayed and read scripture to me from an early age. It was a normal thing to see her pouring into and discipling young women as I was growing up and that hasn't changed. Her faithfulness is what inevitably drew me and the rest of my family to the Lord. Unfortunately, just last month, we discovered that she has stage 4 pancreatic cancer. Will you please be praying for her and our family? Also, she could really use your encouragement. You can send a card or flowers to **Jan Kachuriak, 3205 Timber Ridge Trail, McKinney, TX, 75071**. Thank you so much for your prayers and support during this difficult time!

Nightvision. Our staff just led the evangelism team at PHM's Nightvision music festival. There were great bands, like Jeremy Camp, Zach Williams, For King and Country, and the Newsboys, and great speakers like Greg Laurie. Around **350 people made decisions for Christ!**

Reaching and discipling inmates in our community. In Acts 1:8, Jesus calls His disciples to reach Jerusalem, Judea, Samaria, and the ends of the earth for Him, in the power of His Spirit. Believers are called to be His witnesses in their communities, states, countries, and the rest of the world. It is important to reach the nations for Him but we can't forget our own communities. This is something that Michelle and I have been praying for since stepping into ministry. God has settled us in Gatesville, TX where we have been blessed with a great church family, Grace Bible Church, as well as a great opportunity for doing our Great Commission training locally in several prisons. Gatesville has 6 women's prisons and 1 men's prison. We recently completed the requirements for the security clearance to begin discipling inmates in the prisons. Now we're partnering with Discipleship Unlimited & Bridges for Life, doing Christ-based discipleship programs with men and women in the prisons. Bridges for Life focuses on helping the inmates grow in their faith by taking active steps in their rehabilitation and learning to forgive and make amends with those they've hurt or been hurt by. Discipleship Unlimited focuses on disciplining & equipping prisoners with an 18 month program called *Faith Based Dorms*. We meet with the same inmates multiple times each week for discipleship, worship, fellowship, and studying God's Word. Once they finish the program, some remain in the prisons here, others get transferred to other institutions, and some even get released; this catalyzes a "ripple effect" of multiplication, spreading the Gospel, and disciplining others wherever they go. God is doing incredible things in our prisons (Matt. 25:35-36)!!! Thank you for your part in this!

Thank you!!! You have helped us and the GCA team develop new resources, lead over 1,000 to Christ and train more than 5,000 believers in 21 countries over the past year and a half. Thanks for your part in this ministry!
