

Multiplying Christ-like Multipliers until the Great Commission is Completed! 🔍

THE HERBSTS

Erin and Nate are primarily focused on new resources, training and helping with the administrative needs on the team. Erin is also homeschooling Eliana, Kara, and Micah. They are passionate about helping our international partners thrive in ministry.

THE RENFROS

Meghan and Ben have never been busier. They have been leading the team in our Design and Media departments, which have been vitally important during the pandemic. They're very involved in their local church. They're also trusting God to raise their support.

THE KACHURIAKS

Michelle and Chris left very successful careers to follow God into a life of ministry. They spend most of their time contributing to GCA resources, developing relationships with our international partners, prison ministry, and various administrative parts of the ministry.

THE DENISONS

Rhonda and Jesse bring a wealth of experience in life and ministry to this team. They are involved in team leadership, administration, finances and keeping us focused in prayer. They are also involved in their local church and in ministry to refugees in their area.

PHILIP PHOLMAN

This is an exciting season in Philip's life. He is about to get married. He loves writing and contributes to most of our new resources. He's a gifted teacher and trains all over the world with the team. He also coaches team members in support raising. We thank God for Philip.

THE BICKETTS

Rachel and Aaron are committed to hands on evangelism and discipleship. They are currently helping spearhead another college-student focused ministry and using GCA tools and resources in that program. They are also trusting God with support raising.

THE BAKERS

Tabitha and Russell are focused on raising their monthly support. They are also filming videos, helping with training, working on occasional design projects, and serving in other areas as needed. They're a real treasure to all of us at Great Commission Alliance.

RICHARD GODSIL

Richard has been in ministry for many years. He has pastored, counseled, and so much more. He is passionate about helping pastors thrive and equip churches to handle the counseling needs that are pervasive in today's society. Pray for him as he continues raising support.

THE SARADAS

Byju and Deborah are passionate about serving God and helping people find Jesus and grow in His Word. Byju is raising support and working on his PhD right now, preparing to lead a future GCA training center in S. Asia, the most unreached region on earth.

Brandon and Anne Cox have been an invaluable part of the GCA. They helped us launch this ministry and were instrumental in getting the GCA off the ground. Nearly a year ago God began leading them to move closer to family and to begin implementing a lot of our core evangelism and discipleship principles in that setting. We are very sad to see them transitioning to this new chapter in life but are overjoyed that they are following God as He leads. We will always thank God for their time here.
